## **Lunch or Other Meal Periods**

Another word for noonmeat was of course lunch or luncheon. At some point both noonshench and luncheon came to refer to the meal itself, rather than something you had at it. Now, sometime in the Middle English period (you could date it better if you had detailed citations, but I've just got a couple of smaller etymological dictionaries), the word noonshench fell into the gravitational clutches of the word luncheon.
