Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

The ES7001's surround effect relies on Marantz's Optimal Source Distribution technology - OPSODIS - which unlike most rivals, doesn't attempt to bounce sounds off walls. Instead, it uses sophisticated processing and six speakers (arranged as two tweeters, two midrange units and two bass drivers), each of which is driven by its own digital power amplifier.
