GAO's prior work has shown that the Department of Homeland Security (DHS) and its component agencies—particularly the Coast Guard and Customs and Border Protection (CBP)—have made substantial progress in three key areas of port security since the September 11, 2001 terrorist attacks (9/11), but some challenges remain.

## **Maritime Transport Security - Edward Elgar Publishing**

Maritime transport security and trade efficiency are two intertwined issues in the development of regional and global supply chains. There appears to be a lack of general consensus about the effects of increased security on efficiency and seamlessness of maritime trade. Some authors argue (see, among others, Thai, 2007) that the fulfillment of ...
