Moonflowers: A Night-Blooming Classic for the Modern ...

Throughout history, gardens have been spaces of contemplation and creativity, allowing people to immerse themselves in nature. With so many types of gardens around the world—from classic French Gardens to Japanese Zen Gardens—it's incredible to see how the landscape changes due to how these plants are arranged.

Modern Gardens And The Landscape

Moonflower (*Ipomoea alba*), with its large, pure white blooms, pleasant scent, and heart-shape leaves, is one of my favorite vining plants. As the name might suggest, the blooms of this vigorous vine are indeed moonlike, thanks to their pale color and roughly round shape, but actually, they earned their moniker because they open only at night or on cloudy days.

Gardens of Babylon, Nashville Garden Center & Landscape ...

Indoor gardens may even reduce energy use and costs because of the reduced need for air circulation. These benefits complement the obvious aesthetic advantages of a well-designed garden, making ...
