Modernization and the Rise of Individualism in China. Social scientists have long regarded value change as central to modernization, and have paid considerable attention to the association between societal modernization and the adoption of individualistic values (e.g., Inkeles and Smith, 1974; Hofstede, 2001; Greenfield, 2009). We begin by considering briefly the definition of modernization and ...

Meiji Restoration, political revolution in 1868 in Japan that brought about the end of the shogunate and ushered in the subsequent era of major political, economic, and social change—the Meiji period (1868–1912)—that brought about the modernization and Westernization of the country.

modernization - Modern society and world society | Britannica

Japanese whaling, in terms of active hunting of whales, is estimated by the Japan Whaling Association to have begun around the 12th century. However, Japanese whaling on an industrial scale began around the 1890s when Japan started to participate in the modern whaling industry, at that time an industry in which many countries participated. Modern Japanese whaling activities have extended far ...

Modernization In Japan Answers

Many believed that Meiji Japan had flourished under the steadfast rule of the emperor who reigned for more than 40 years. Now his first son, Yoshihito, ascended to the throne and took the name Taisho, ushering in the next era. Those deeply loyal to Emperor Meiji and resistant to modernization efforts were particularly vulnerable.

The Official Informatica PowerCenter Download Resource ...

In 1635, the ruling shogun closed Japan to foreigners and forbade Japanese to travel abroad. This isolation lasted more than 200 years. In 1868, the shoguns were overthrown and emperors returned. This was a time of great change and modernization for Japan. During World War I (1914–1917), Japan fought on the side of the U.S.
