mods.dk -> Instruction, users and service manuals for Motorola

Well, we ordered the service manual (part number 6880903Z45) to see how hard it would be to convert the SM50 into a SM120 in order to add more channels. After some research, it looks like it might be possible by changing the control head. However, the price of the SM120 control head is worth almost as much as the whole radio.
