Tokina FISHEYE DX 10-17 Fisheye Lens for Nikon | eBay

This is a great fisheye lens! It's easy to use, and can focus very close to your subject, making for some very wild looking shots. If you have a full frame (FX) camera, such as the D3 or D700, steer clear of this, and get the 16mm fisheye instead. I would recommend this to a friend
