### Notes Of A Radiology Watcher

Notes of a Radiology Watcher aims to show the reader how radiology is being transformed from its customary focus of the last 40 years to meet the disparate challenges of competing influences and an uncertain future. Considerations on the elaboration of "milestones" for residency education are examined, as well as the social and economic issues that are codified into focused initiatives that must be addressed by each trainee as they advance in capability and seniority within the training ...

### Notes of a Radiology Watcher

Notes of a radiology watcher pdf. Rather radiology is expensive, often intrusive and in some areas earnestly and endlessly controversial. A radiologist must be attuned to these often confounding contingencies. Two recent developments in the monitoring of education of radiologists can be impacted by the content of this book.

### Notes of a Radiology Watcher: Stephen R. Baker ...

The issue of quality is a radiology imperative. Some of you may not know that there are almost 75 various organizations in Radiology, which I call "balkanization" in the extreme. Nonetheless each year about 45 societies meet to discuss a particular topic. At a recent meeting quality was the subject.
