The Oxford Handbook of International Political Theory ...

This is a dreadful mistake, and is at variance with most of the 10-volume "Oxford Handbook" series on all things political. For comparison, see the closely-related "O. H. of Political Theory," which DOES include T-to-V functionality, and you'll see that a major and valuable element is missing here.

Oxford Handbook of Environmental Political Theory - Oxford ...

This handbook is a schematic guide and a sampler on political science. It first provides an overview of the state of political science as a discipline before turning to a discussion of political theory and its relationship with the discipline of political science, history, philosophy, and "real world" politics.

The Oxford Handbook of Environmental Political Theory ...

It makes a case for political theory as a field of social science, and for a common intellectual enterprise of the understanding of social and political life to which such figures as Rawls, Habermas, Foucault, Arendt, Hayek, Skinner, and Strauss all contribute. This handbook is currently in development, with individual articles publishing online in advance of print publication.

Oxford Handbook of International Political Theory - Oxford ...

For a long time, the challenge for the identity of political theory has been how to position itself productively in three sorts of location: in relation to the academic disciplines of political science, history, and philosophy; between the world of politics and the more abstract, ruminative register of theory; between canonical political theory and the newer resources (such as feminist and critical theory, discourse analysis, film and film theory, popular and political culture, mass media ...
