Part memoir, part family chronicle, the book is an emotionally fraught intergenerational narrative about growing up in the shadow of the Palestinian Nakba of 1948. Shehadeh is also the author of a series of "Palestinian diaries," and Palestinian Walks: Forays into a Vanishing Landscape is the fourth installment. These books are of a different order than his other work.

### **Trip Lit: Palestinian Walks: Forays into a Vanishing ...**

Palestinian Walks: Forays into a Vanishing Landscape left me thinking about the parallels between the West Bank and Saskatchewan. There are many differences, of course, but in both places, settlers have done everything possible to displace the original inhabitants of the land, and in both places the settlers—or at least most of them—are blind (wilfully, perhaps, or through ignorance) to that fact.
