'Nature Knows No Boundaries': The Role of Nature ...

Peacebuilding, Memory and Reconciliation explores the inextricable link between psychological recovery and socio-political reconciliation, and the political issues that dominate this relationship.

SIT Digital Collections - Conflict, Memory, and ...

Memory, whether in the wake of war, or in the face of oppression or serious social disruption, powerfully links personal and political agendas. Overcoming personal trauma, handling the need for acknowledgement, finding justice and developing leadership in creating a new social vision are all endeavors where memory is central to the enterprise.

Peacebuilding, Memory and Reconciliation : Bridging Top ...

Humanity is facing a biodiversity crisis. To solve environmental problems, we bring people from Israel, Jordan, and the Palestinian Authority to the same table. Conservation efforts are beneficial for all communities and facilitate constructive dialog across divides in conflict zones. This pleads for the integration of nature conservation into peacebuilding interventions.

Peacebuilding, Memory and Reconciliation [Book]

Reconciliation is, in fact, not necessarily the end point of every conflict; some may end before complete reconciliation takes place. But all intractable conflicts that really do end must go through some peacebuilding or reconciliation process if the parties are going to have to interact together again in the future.

Peacebuilding and Reconciliation Stage | Beyond Intractability
