### Performing Rites On The Value

The Torajan people had little notion of themselves as a distinct ethnic group before the 20th century. Before Dutch colonisation and Christianisation, Torajans, who lived in highland areas, identified with their villages and did not share a broad sense of identity. Although complexes of rituals created linkages between highland villages, there were variations in dialects, differences in social ...

A shared experience is any experience that causes individuals to identify with each other. The shared experiences of groups are the basis for the formation of culture at the level of a nation, city, profession, organization, team, super culture or subculture.The following are illustrative examples.

### 24 Examples of Shared Experiences - Simplifiable

However, that last requirement doesn't include reasonable payments for services rendered, payments that promote tax-exempt purposes or payments made for the fair market value of real or personal property. Some pastors take great liberties with this loophole by asking church members to mail them cash donations, as Oliver demonstrated.
