PERSONNEL ECONOMICS FOR MANAGERS Second Edition

Personnel Economics in Practice Edward P. Lazear, Michael Gibbs
Economics is a methodology that has been applied to many areas of human behavior, and has had enormous influence on the study of organizations and human resources.

Personnel Economics

Personnel economics has been defined as "the application of economic and mathematical approaches and econometric and statistical methods to traditional questions in human resources management". It is an area of applied micro labor economics, but there are a few key distinctions. One distinction, not always clearcut, is that studies in personnel economics deal with the personnel management ...
