Peter F. Drucker | Biography, Management, Books, & Facts ...

Peter Drucker first used the term "management by objectives" in his 1954 book *The Practice of Management*. While the basic ideas of MBO were not original to Drucker, they pulled from other management practices to create a complete "system". The idea draws on the many ideas presented in Mary Parker Follett's 1926 essay, "The Giving of Orders".

Management by objectives - Wikipedia

Peter Drucker (1909 - 2005) was a management consultant and educator, whose writings contributed to the foundations of the modern business corporation. He is one of the best-known and influential thinkers on the subject of management theory and practice.
