The "new key" in Philosophy is not one which I have struck. Other people have struck it, quite clear-ly and repeatedly. This book purports merely to de-monstrate the unrecognized fact that it is a new key, and to show how the main themes of our thought tend to be transposed into it. As every shift of tonal-ity gives a new sense to previous passages, so the reorientation of philosophy which is taking place in our age bestows new aspects on the ideas and argu-ments of the past.
