The PMBOK® Guide—Fifth Edition was launched in January, 2013. This is a comprehensive guide with more material, but it has been widely agreed that it is easier to learn from and understand than the previous versions. All the concepts explained in the PMBOK® Guide are rooted in PMI's global 'standards' for project management. These standards lay the foundation for the 4 areas of the practice – project, program, portfolio and the organizational approach to project management.
