This guide did not prove to be that useful. Starting in the prologue section, there was at least 1 question that I could not answer because the answer the guide was seeking was not in the book. Fortunately, the guide gives you the answers but if you can't answer the questions by reading the book, what good is the study guide.

Introduction to psychology Chapter 1 study guide ...
What's in This AP Psychology Study Guide? This guide will help you study for the AP Psychology exam and other assessments in your class by providing study strategies and other resources that pertain to the material covered in the course. In the first section, you'll learn how to create a study plan for the exam that supports your needs as a student. This section applies exclusively to the final AP exam, so it's less relevant if you're just studying for an in-class test.
