Prerogative is the enemy of the people. This has been settled as matter of law for a very long time. The constitutional settlement of 1688 made a decision for responsible and representative government. We have had no constitutional moment of similar magnitude since.

Royal Prerogative Powers and Common Law

The royal prerogative has been called "a notoriously difficult concept to define adequately", but whether a particular type of prerogative power exists is a matter of common law to be decided by the courts as the final arbiter. A prominent constitutional theorist, A. V. Dicey, proposed in the nineteenth century that: The prerogative appears to be historically and as a matter of fact nothing ...

Definition of PREROGATIVE • Law Dictionary • TheLaw.com

In English Law, a discretionary power that exceeds and is unaffected by any other power; the special preeminence that the monarch has over and above all others, as a consequence of his or her sovereignty. The term prerogative is occasionally used by writers of law to refer to the object over which royal powers are exercised,...
