a successive volume to Remaking the British Atlantic, which covers the period after 1790 up to the War of 1812. Furthermore, as A.G. Hopkins had shown, this study could potentially be extended well in to the nineteenth century. If such a monograph is to be produced, then P.J. Marshall will have made a substantial contribution towards it.

Book review: Remaking the British Atlantic: The United ...

The conceptualization of Loyalists has been unduly constricted by nationalistic perspectives and political priorities that have tended to focus on isolated individuals in ways that have prevented us from seeing how their specific expressions and experiences drew on a deep and dynamic tradition of loyalism that took particular shape in the early modern era around shifting relationships among English, British, colonial, American, and Atlantic formations.
