This film doesn't give all the details about Chris's travels. For that, either read or watch Into the Wild. This documentary fills in the gaps that Jon Krakauer's narrative left, making it clear that Chris wasn't some hippie nut job who got what he deserved, but a person whose parents created an awful family life, making him feel so trapped that this was his best attempt to sever ties with them.

Return of the Wild Horses is the most important in-situ conservation project organized by Prague Zoo. Its aim is to increase the numbers and genetic diversity of Przewalski's horses in their native habitat in Mongolia. Resuming previous similar European projects, Return of the Wild Horses transports and reintroduces captive-bred wild horses into large nature reserves in Mongolia, the project also provides material support to Mongolian rangers who protect and monitor the herds in Great Gobi B Str

Return of the Wild: The Future of Our National Lands, by ...

Return of the Wolf Paula Wild has written a book that is readable, and novel in approach. She takes a while, a sometimes convoluted pathway to reach the most important part of her book and the books message. The last two sentences of Return of the Wolf could easily have been the first sentences of the book, with development of her text around it.
