Roosa Master injection pump problem - Yesterday's Tractors

Drug out my dads 706 (d282, roosa master pump) that has been parked in the shed for 30 years. Got all the fluids/filters changed (even sent in a engine oil UOA for kicks) and am trying to get it started. I have plenty of fuel to the injector pump inlet, but when I crank it with the overflow line ...

Roosa Master Fuel Injection Pump

The Roosa Master injection pump was the first distributor-type to provide a simple mechanism for controlling the speed of generator sets, thereby reducing its complexity and number of parts. The pump combines a single-cylinder opposed-plunger pumping system to feed all cylinders of a multicylinder engine with the concept of inlet metering.
