Sabre squadron

A sabre squadron, or (in US English) saber squadron, is an army combat unit of sub-battalion size, as opposed to a headquarters or support unit. The term sabre squadron is typically used to refer to units descended from or influenced by cavalry such as armored or reconnaissance units.

The Sabre Squadron - Wikipedia

"Sabre Squadron" reads a lot like accounts of the Long Range Desert Group in World War Two--navigating over the sand for thousands of miles and hide-siting during the days to avoid detection, only in an era with laser target designators, anti-tank I liked it; the autobiographical account of SCUD hunting in DESERT STORM has, of course, been done before--controversially--in "BRAVO TWO ZERO" (and Andy McNab moves around

Sabre Squadron, the first book by Cameron Spence, is a thoroughly enjoyable and grittily realistic view of the SAS operations as part of 'Desert Storm'. It gets right down to the nitty gritty of what was going through the authors mind during battle, during night time reconasance missions and during the periods of "Down Time" when there is nothing else better to do than contemplate life and home.
