Phonics is a method for teaching people how to read and write an alphabetic language (such as English, Arabic or Russian). It is done by demonstrating the relationship between the sounds of the spoken language ( ), and the letters or groups of letters or syllables of the written language. In English, this is also known as the Alphabetic principle or the Alphabetic code.

House renting is a considerable issue for many people in modern cities, specifically for young and relatively low-income people. Due to various limitations, numerous people have to choose renting a housing as their lifestyle before possessing property [1,2,3]. Taking China as an example, in recent years, the sizes of the floating populations in cities have expanded rapidly, and most floating ...
