NSTP Reflection | Essay Example

Taking up NSTP II is fun and informative at the same time. I have learned many things from the beginning of the lecture about the Rationale of Community Building, up to the last meeting about CWTS. Also, I learned much about the environment and know that whatever I learned will never be forgotten just that I should be able to apply the knowledge I have acquired.

How to create a technical documentation template | Stepshot

Object documentation. Documentation is one of the most important aspects of a good package. Without it, users won't know how to use your package. Documentation is also useful for future-you (so you remember what your functions were supposed to do), and for developers extending your package. There are multiple forms of documentation.

Azure Kubernetes Service (AKS) documentation | Microsoft Docs

The goal of this documentation is to explain the major concepts and classes in GAS and provide some additional commentary based on my experience with it. There is a lot of 'tribal knowledge' of GAS among users in the community and I aim to share all of mine here. The Sample Project and documentation are current with Unreal Engine 4.25.
