Her first book, Scenes of Subjection: Terror, Slavery, and Self-Making in Nineteenth-Century America, is an examination of, among other topics, the intersection of slavery, gender, and the development of progressivism in the United States through the exploration of blank genealogies, memory, and the lingering effects of racism. Working through a variety of cultural materials -- diaries, journals, legal texts, slave and other narratives, and historical song and dance—Hartman explores the ...

Book Review: Scenes of Subjection by Saidiya V. Hartman ...

The entire second half of Scenes of Subjection describes the elaborate burdens of freedom imposed on ex-slaves, and the reign of terror that followed in the wake of slavery. Hartman's main argument is that emancipation did not do away with racial subjection; instead, the nominal extension of civil rights to freedmen was simply a point of transition between different manifestations or modes of subjection.
