'Soulcraft' Honors An Honest Day's Work : NPR

Shop Class as Soulcraft brings alive an experience that was once quite common, but now seems to be receding from society--the experience of making and fixing things with our hands. Those of us who sit in an office often feel a lack of connection to the material world, a sense of loss, and find it difficult to say exactly what we do all day.

“Shop Class as Soulcraft” is a beautiful little book about human excellence and the way it is undervalued in contemporary America.

Matthew B. Crawford

Shop Class as Soulcraft: An Inquiry into the Value of Work, published in 2009, is an often personal and meditative pitch for a cultural recommitment to the vocational arts. As a mechanic with a doctorate in philosophy, author Matthew B. Crawford has lived both lives—that of the “knowledge worker” of white-collar culture and that of the manual laborer who solves the problems society faces on a daily basis.
