"Shout" is an influential popular song, originally recorded by The Isley Brothers. Released in 1959, it was written by the brothers themselves as a call-and-response answer to Jackie Wilson 's seminal "Lonely Teardrops" which they interpreted after performing that song during a club date.. While the song did not reach higher than #47 on the Billboard Hot 100, it became their first gold single ...

Shout! The Beatles in Their Generation tells the extraordinary story of the rise of four scruffy boys from Liverpool to beings more adored, more influential -- and in many ways more troubled --than any in the history of popular entertainment. It is also a penetrating social history of our time, based on an incredible wealth of material -- eyewitness accounts, interviews, stories withheld from the press and public -- that was available exclusively to the author.
