### **Six Months to Live: Learning from a Young Man with Cancer ...**

Yes, hospice regulations require a limited prognosis of 6 months or less. It requires that 2 physicians sign their names to that time frame BUT in our teaching to the patient and family our job as end of life professionals is to make it clear that those numbers are a guesstimate, that no one can put a number on how long someone has to live.

## **You've Only Got Six Months to Live - Jason Ferruggia**

In 6th months snow in most places will be on the ground; signifying a new year and the preparations for yet another Superbowl. In just 6 short months. If I had only 6 healthy months to live I would.... Spend all my time tell you just how much Jesus loves you. I would share with you that in the end nothing else matters.
