It's the 15th of the month, and I have a new post at PreK + K Sharing! Today, I'm sharing the links to free printables I've used to create Montessori-inspired spider activities for preschoolers through first graders. Many of the printables work well for Halloween, although there are printables listed for a spider unit study in general.

Free Printable Spider-Man Mask Templates - Simple Mom Project

The small, long, thin pycnogonid heart beats vigorously at 90 to 180 beats per minute, creating substantial blood pressure. The beating of the sea spider heart drives circulation in the trunk and in the part of the legs closest to the trunk, but is not important for the circulation in the rest of the legs.
