### Special Veterinary Pathology: Theileriasis

Book : Special veterinary pathology. 1988 pp.viii + 661 pp. Abstract : Diseases are dealt with according to body systems or, as the Editor put it, "within an anatomic context". This makes for a tidy text but, of course, diseases are not confined to single systems: pulmonary oedema, for example, is more likely to be a manifestation of disease elsewhere than to indicate disease in the lungs.
