5 basic principles for conducting a safe traffic stop Regardless of how long you've been doing traffic stops, no two are the same Today may be your first day on patrol or it may be your 20th year.

5 basic principles for conducting a safe traffic stop

The law is settled that the decision to stop an automobile is reasonable where the police have probable cause to believe that a traffic violation has occurred. As an example, let's assume a motorist is just traveling on the interstate - following the normal flow of traffic - and an officer observes the driver following another vehicle too closely and initiates a traffic stop.
