### BLS Practical Skills Examination Administrative Manual

The Triphasic Tactical Training Manual was written with the explicit intent to deliver a systematic and scientifically founded approach in training methodology for athletes whose preparation does not result in wins and losses, world records, or gold medals.

### SPECIAL WEAPONS AND TACTICS

knowledge base, operational skills and instructional capability in the areas of officer survival, concealed / covert carry, and range operations. This program will provide both technical and tactical training techniques that are based on duty specific requirements.

### Tactical Skills Manual

It's notable that the new Tactical Manual doesn't really discuss gear at all. Contact! is loaded with gear discussion, from weapons to load bearing equipment.Not talking about gear stems from Max's focus on mindset and the whole warrior concept.Focusing on gear, to him, is a distraction that many of us fall into rather than working on our skills.
