The THM 400 transmission was first

GM Turbo 400 Transmission Rebuild Kits | Get the Exact ...

It was a General Motors TH400 from an early 1970s Pontiac Bonneville. It seemed like the task of removing parts from the case would never end. Even the valve body, which on the TH400 is quite simple compared to most other models, contained dozens of parts. I was afraid that a part or two was going to be left over after the rebuild was complete.
