### Astrodome - Wikipedia

The Astrodome : Building an American Spectacle by James Gast Overview - In the summer of 1960, a group of men in Houston, Texas set out to build the largest room in the world. That room would have to be large enough for a baseball game, sunny enough for grass to grow, and with air cool and clear enough for thousands of smokers to puff away in air-conditioned comfort.

On opening day in 1965, the Astrodome hosted an exhibition game between the Houston Astros and New York Yankees to a sold-out crowd. President Lyndon B. Johnson and his wife were in attendance.

### The Astrodome : Building an American Spectacle by James Gast

The Astrodome: Building an American Spectacle is the first book to look in-depth at the design and construction of Houston's Astrodome. It tells the story of the creation and early days of the world's first domed stadium, highlighting the people who participated and the unprecedented solutions they developed for problems that had not previously existed.

### Model of the Astrodomain - The Astrodome: Building an ...

The Astrodome was joined by a new neighbor in 2002, the retractable-roofed Reliant Stadium (now known as NRG Stadium), which was built to house Houston's new NFL franchise, the Houston Texans. The Houston Livestock Show and Rodeo moved to the new venue in 2003, leaving the Astrodome without any major tenants.

### The Sad Fate (but Historic Legacy) of the Houston Astrodome

It is Roy Hofheinz who is at the center of James Gast's The Astrodome: Building an American Spectacle. Although the initial legwork to bring major league baseball to Houston was put in by figures such as George Kirksey and Craig Cullinan, it was Roy Hofheinz, known publically as "the Judge" for the nearly ten years he spent as Harris County Judge who piloted the franchise through its challenging inception.
