Literature Volume D Heath  
Community Reviews. The Heath  
Anthologies are a great thing. They tend  
to include not only the canonically  
"important" authors, but many, many  
others of high quality. My love of  
American Literature is evident in the  
choice of both this and the VOL. 2  
edition. These are fantastic, not only for  
reference, but for reading and enjoying.
