The Mind's Machine: Foundations Of Brain And Behavior by Watson, Neil V./ Breedlove, S. Marc The aim of this book is to help students understand, right from the opening paragraphs, that their mental lives are the product of observable physical processes occurring inside the complicated object between their ears, the brain.

9780878939336: The Mind's Machine: Foundations of Brain ...

The Mind's Machine: Foundations of Brain and Behavior. For example, in some cases, the book is somewhat biased and can come across as a public service brochure on the dangers of drug use rather than an explanation of their biological effects. This type of bias can be distracting, particularly to college undergraduates.
