The Patent Jungle The Inventors

I read the "patent jungle" over the weekend. The book offers a very good depiction of the patent process and the steps and hurdles to be aware of along the way. It also provides readers with the typical costs for filing, maintenance, and expected legal fees which is quite helpful to first time inventors.

Who is a Patent Inventor, and what is inventorship? - The ...

Searching for inventors by their names can be fun. Who knows if someone you've heard of invented something you never knew about? Unfortunately, you can only search online for people who have invented something since 1976, as the search-by-inventor feature only works for patents issued from that year forward.

Hedy Lamarr - Wikipedia

The inventors of a patent can change during prosecution of the patent, as claims are amended or deleted from a pending patent application. Because of this, your disclosure to your patent attorney must include what contributions each person or team member made, and not just who was involved.
