Psychogenesis of Mental Disease is Volume 3 in The Collected Works of C. G. Jung, a series of books published by Princeton University Press in the U.S. and Routledge & Kegan Paul in the U.K. It was edited and translated from German by Sir Herbert Read , R.F.C. Hull and Gerhard Adler .

### **The Psychogenesis of Mental Disease by C.G. Jung**

The question of psychogenesis in mental diseases other than the neuroses, which are now generally considered psychic in origin, is discussed, and the psychic etiology of schizophrenia is affirmed. Mental processes are products of the psyche, and that same psyche produces delusions and hallucinations when it is out of balance.
