The Singular Objects Of Architecture

What is a singular object? An idea, a building, a color, a sentiment, a human being. Each in turn comes under scrutiny in this exhilarating dialogue between two of the most interesting thinkers working in philosophy and architecture today.

The Singular Objects of Architecture by Jean Baudrillard ...

The Singular Objects of Architecture should not create the expectation that either architecture or philosophy will be treated in this dialogue in anything like a traditional way (which, were it the case, would seem not so much old-fashioned as reactionary, coming from two of the few cultural figures practising today that we could still dare to call progressive).

Jean Baudrillard, The Singular Objects of Architecture ...

A revelatory conversation between two major figures in visual culture. This exhilarating dialogue between two of the most interesting thinkers working in philosophy and architecture today covers fundamental problems of politics, identity, and aesthetics as their exchange becomes an imaginative exploration of the possibilities of modern architecture and the future of modern life.

Moving and Space forming Objects :: Future Architecture

The issues that are discussed between the two include aesthetics of culture and of architecture, the disappearance of culture, the architecture of nothingness, censorship, structuralism, and general pontifications on current design trends breeding new perversions.

The Singular Objects of Architecture by Jean Baudrillard
