However, The Transformation of
Europe's Armed Forces only partially
addresses some of the wider questions
underpinning defence integration. In
particular, King skirts around the issue of
how differing national foreign policy
objectives, especially those between
Germany and Britain, and divergent
tolerances for casualties limit
integration.

Reorganization plan of United States Army - Wikipedia

More recently, in an article published in Infinity Journal in June 2011, titled "The Second Lebanon War: A Reassessment", Martin van Creveld argued that contrary to the common view, and despite "clumsy, heavy-handed, and slow" ground operations, the Second Lebanon War was a great victory for Israel. He states that as a result of the war, "since
