So, following you require the ebook swiftly, you can straight get it. It's as a result agreed simple and therefore fats, isn't it? You have to favor to in this ventilate

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

### **Drug Enforcement in the United States: History, Policy ...**

When the United Nations Single Convention on Narcotic Drugs came into being 50 years ago, and when President Nixon launched the U.S. government's war on drugs 40 years ago, policymakers believed that harsh law enforcement action against those involved in drug production, distribution and use would lead to an ever-diminishing market in controlled drugs such as heroin, cocaine and cannabis, and the eventual achievement of a "drug free world."

### **Office of National Drug Control Policy**

This paper provides a nonpartisan primer on U.S. drug use and drug policy. It aims to bring those new to drug policy up to speed and provide ideas to researchers and potential funders about how they could make strong contributions to the field.

### **News & Analysis - SmartDrugPolicy**

Discussions of drug policy tend not to consider whether the stated goals of policies are an accurate statement of what they are meant to do and also may not consider the fact that what benefits some people may harm others. We explore these issues and present an agenda for research in this area that ...

### **U.S. Drug Policy in the Andean Nations | C-SPAN.org**

U.S. Drug Control Policy U.S. drug policy is based on a punitive logic of deterrence that assumes that targeting the drug supply through aggressive law enforcement will deter drug use by making drugs scarcer, more expensive, and riskier to buy.

### **A New Era for U.S. Drug Policy? - CBS News**

The Drug Policy Alliance envisions a just society in which the use and regulation of drugs are grounded in science, compassion, health and human rights, in which people are no longer punished for what they put into their own bodies but only for crimes committed against others, and in which the fears, prejudices and punitive prohibitions of today are no more.

### **Drug Policy — Criminal Justice Policy Foundation**

America's drug policy incorporates federal laws that regulate the trade, distribution and use of illicit substances. Drug policy covers everything from the classification of drugs and which are illegal to legal punishment for drug activity and treatment and rehabilitative services.

### **Federal drug policy of the United States - Wikipedia**

Contemporary American drug policy, expressed formally in the nearly half-century old Controlled Substances Act, attempts to control the distribution and prevent the use of stimulant, depressant and "hallucinogenic" compounds that can be "abused."

### **International Journal of Drug Policy - Elsevier**

US drug policy is also heavily invested in foreign policy, supporting military and paramilitary actions in South America, Central Asia, and other places to eradicate the growth of coca and opium. In Colombia, U.S. president Bill Clinton dispatched military and paramilitary personnel to interdict the planting of coca, as a part of the Plan Colombia. The project is often criticized for its ineffectiveness and its negative impact on local farmers.
