The Varieties of Religious Experience by William James

The Varieties of Religious Experience (1902) by William James, a psychologist and philosopher who taught at Harvard, contains, in edited form, a series of natural theology lectures called the Gifford Lectures which he delivered at the University of Edinburgh in the two years leading up to its publication. The lectures argue about the nature of religion and the tendency of modern religious studies to ignore the importance of science in their research.

csrs.nd.edu

“Religious experience” was not widely used as a technical term prior to the publication of *The Varieties of Religious Experience* (1902) by William James, an eminent American psychologist and philosopher, but the interpretation of religious concepts and doctrines in terms of individual experience reaches back at least to 16th-century Spanish mystics and to the age of the Protestant reformers.

Religious experience | Britannica

Read Online The Varieties Of Religious Experience

He agreed that religious experiences are primarily emotional and that every person has a consciousness of the divine. These emotions are deeper than reason and it is 'self-authenticating;' not requiring testing to see if it is genuine. Doctrines such as the creed were attempts by individuals to understand their religious experience.
