L'amour est bleu - Wikipedia

Blue is a female Velociraptor that appears in Jurassic World and in Jurassic World: Fallen Kingdom. She was the oldest of the four raptors consisting of her, Delta, Echo, and Charlie. Blue is more intelligent and cunning than her sisters. These traits most likely helped her become the leader of the pack. These traits were reminiscent of a previous alpha raptor, the Big One. Unlike the Big One ...

The World Is Blue Quotes by Sylvia A. Earle

"No matter where you are in the world, if it's a clear, sunny day when it's nice to be outside, the sky is blue. And water that's clear is going to be bluish. That's not to say that there aren't cultural differences, because there are, but this prevalence of positive blue things seems to be somewhat consistent."

Why Blue Is the World's Favorite Color - Artsy

Blue is the favorite color of all people. It's nature's color for water and sky, but is rarely found in fruits and vegetables. Today, blue is embraced as the color of heaven and authority, denim jeans and corporate logos. It is cold, wet, and slow as compared to red's warmth, fire, and intensity.
