The overarching theme that loomed like an enormous shadow over every other aspect of Deliverance is the idea of what is the ideal of masculinity. Lewis is immediately situated as the ideal of masculinity in contemporary society.

### **Deliverance • Dueling Banjos • Arthur Smith**

In the novel Deliverance, by James Dickey, the themes of man and his mind set are pondered upon many times. The theme "the passing of the torch" seemed to stand out in my mind more and more as the novel concluded. Throughout the novel, three of the characters seemed to rely on the fourth character quite a bit, the hero of the day.
