### The new dog owner's guide toThe new dog owner's guide to ...

Pretty sure guide dogs are allowed everywhere, right? Seriously though, I really think the way to address this issue is directly with the guide or, if the guide is unresponsive to you and it's really a battle you want to fight, then bring it to the attention of his/her company. But I'd recommend approaching the guide first.

### guides and their dogs - Mountain Project

The extent of the suffering is directly proportional to the strength of the bond with the owner and is a function of the dog's reliance and perceived dependence on that person. Owners who feed into a dog's intense dependence on them are more likely to have dogs that do not cope well when left alone for any reason.
