Bear Bull Traders | Hello

A new two-party system was replaced by the politics of deference to elites. The dominant political figure of this era was Andrew Jackson, who opened millions of acres of Indian lands to white settlement, destroyed the Second Bank of the United States, and denied the right of a state to nullify the federal tariff.

Digital History

Viking traders went west as far as Newfoundland in the New World, and East as far as the Volga River, down to Constantinople. When the Vikings left their homelands in the beginning of the Viking Age in the 790s, they didn't just go to raid and loot.
