Samoans rarely spoke in interviews, instead grunting in a primitive dialect that only their manager Capt. Lou Albano could understand. They had afros and fu manchu moustaches.

Completing their "wild man" image, the duo engaged in outrageous behavior such as nose picking, biting opponents, and eating raw fish during interviews.

Cicada madness has struck the United States, and the mid-Atlantic states are getting the worst of it. After being underground for the past 17 years, huge swarms of cicadas have arisen and wreaked havoc (well, minor annoyance anyways), causing a delay to an Air Force One Press Flight and showing up on radar screens around the
