Another Civil War veteran to enthusiastically take up fishing was Richard Franck. He was the first to describe salmon fishing in Scotland, and both in that and trout-fishing with artificial fly he was a practical angler. He was the first angler to name the burbot, and commended the salmon of the River Thames.

A History of Fly Fishing for Trout (PDF). London: Phillip Allan & Co., Dr. Andrew Herd credits Hill with the first attempt to codify the history of fly fishing, albeit Hill's work shows a distinctly British bias and disregard for other European influences. See also A History of Fly Fishing for Trout; Radcliffe, William (1921).

The Pomoxis species are highly regarded pan fish and are often considered to be among the best-tasting freshwater fish. Because of their diverse diets, crappie may be caught in many ways, including casting light jigs, trolling with minnows or artificial lures, using small spinnerbaits, or using bobbers. Crappies are also popular with ice anglers, as they are active in winter.

RJ enjoyed golfing and trout fishing in his free time, as well as playing cribbage, cards, and watching WI sports with friends and family. He was fascinated by the study of physics and astrology, and dreamed of one day watching the Northern Lights in Iceland. RJ was placed in "Who's Who in America" in the 1970's.
