If you own a Vulcan gas wall furnace, space heater or gas ducted heater it is recommended that your appliance be serviced by a qualified service technician. If your gas heater has not been serviced by a qualified service technician it may cause your warranty to be void or put lives at risk.

Heating - totalgasspares.com.au

With unflued heating doors or windows must be kept open to expel polluted air, but with Braemar's flued heaters you can keep doors and windows closed and eliminate cold draughts. Braemar Eco-Superstar's power flued gas space heaters boast an amazing 4.8 star gas energy rating - saving you money on running costs.
