Loved and were loved, and now we lie In Flanders fields. Take up  
our quarrel with the foe: To you from failing hands we throw The  
torch; be yours to hold it high. If ye break faith with us who die  
We shall not sleep, though poppies grow In Flanders fields.

Poppies will grow in most soils but for the best results grow in a well-drained soil in full sun. They thrive in alkaline, acid or neutral soil. The larger, perennial oriental poppies are perfect for growing in a border, ideally at the front or middle. They flower in May and June and once the flowers have gone over the foliage also dies back.
